Proceeds will be donated to Amy Contursi to help with Amy's medical expenses for her quick recovery. Amy is an employee of Casperkill that we all have met and worked with during volleyball matches and she has been battling breast cancer. This is another way for us to help a fellow Casperkill "family member" and this is one way for us to show our appreciation for all the things she has done for some of us. Let's add Amy and her family to our prayers and pray for a speedy recovery in this difficult time.

We will also hold a bake sale and a food stand will also be on site.
